Counsel for Appellants

Pursuant to Federal Rule of Appellate Procedure 27, Plaintiffs-Appellants respectfully move to hold this appeal in abeyance, with status reports due on March 1, 2025, and at 60-day intervals thereafter. In support of this unopposed motion, Plaintiffs-Appellants state the following:

1. This appeal arises from an application for a temporary injunction in which Plaintiffs-Appellants sought to require Defendants-Appellees to comply with their own policies regarding treatment of noncitizens arriving at ports of entry along the U.S. southern border. *See* Opening Br. at 1. That policy was primarily contained in a November 2021 memorandum that required Customs and Border Protection officers to allow “undocumented noncitizens who are encountered at the border line [to] be permitted to wait in line, if they choose, and proceed into the [Port of Entry] for processing as operational capacity permits.” 2-ER-258. The district court denied the injunction, and Plaintiffs-Appellants appealed.

2. This appeal was argued and submitted on May 13, 2024, before a panel of Judges Collins, Thomas, and Johnstone.

3. The legal landscape has changed significantly since Plaintiffs-Appellants filed, briefed, and argued this appeal, and Plaintiffs-Appellants anticipate forthcoming developments are likely to impact this suit as well. The operative provisions of the November 2021 memorandum are currently superseded by President Biden’s June 3, 2024 Proclamation “Securing the Border” and related guidance. *See*

DktEntry 43.1, Notice of Supplemental Authority (June 20, 2024). President Biden subsequently amended that proclamation and changed the requirements for returning to conditions where the November 2021 memorandum would be reinstated, raising the bar for reinstatement of the November 2021 memorandum. *See* Proclamation 10817 of September 27, 2024, Amending Proclamation 10773, 89 Fed. Reg. 80351 (requiring border “encounters” to fall below 1,500-encounters per day for 28 consecutive calendar days, rather than 7 calendar days in the original proclamation). Significantly, Plaintiffs-Appellants anticipate that the current Presidential transition may mean that significant changes will be made to the policies at issue in this case—including the use of CBP One and the November 2021 guidance.

4. Accordingly, on November 22, 2024, Plaintiffs-Appellants filed an unopposed motion in the district court to stay proceedings to preserve party and judicial resources. No. 3:23-cv-1367-AGS-BLM, Dkt. No. 100 (S.D. Cal. Nov. 22, 2024). The district court granted the stay in a text-only order on November 22, 2024, and the case is stayed “until further Court order.” No. 3:23-cv-1367-AGS-BLM, Dkt. No. 101 (S.D. Cal. Nov. 22, 2024). The parties are required to file a status report or move to lift the stay by March 1, 2025.

5. To preserve party and judicial resources, Plaintiffs-Appellants respectfully request the Court hold this appeal in abeyance. While this case is not fully moot because it is currently not “absolutely clear . . . that the activity complained of will

not recur,” there is a substantial likelihood this appeal will be moot in the near future. *Fikre v. Fed. Bureau of Investigation*, 904 F.3d 1033, 1039 (9th Cir. 2018). The best use of judicial resources is to determine what, if any, changes the incoming Presidential administration will make to the policies at issue and determine whether those specific policies moot this appeal (or the underlying case from which it arose).

6. Defendants-Appellees agree to the requested stay. Counsel for both parties conferred via email on November 25-27, 2024, and counsel for Defendants-Appellees confirmed that they do not oppose a stay of this appeal.

7. Thus, Plaintiffs-Appellants move this Court to place this appeal in abeyance, with a status report due by March 1, 2025, and at 60-day intervals thereafter.

Dated: December 2, 2024

Respectfully submitted,
